Brown, Nixon, Page, Kelly, Hunch, and clique,

☺ How are you feeling today? With your paws, ha ha
Just a little black humor boys. Do not take umbrage
over my jocose demeanor. I am in a very good mood today
considering the outcome of my hearing. Yes, I
et has occured to me that I will not appear before
the kangaroo court on my mickey mouse charges. This, I
assure you, gives me great pleasure. Another aspect of all
this situation which pleases me greatly is the fact that
I won. Your tactics were fruitless. To try to sabotage
my hearing was immoral gentlemen. Let it be noted that
I reproach you for your vapid strategy. Now you expect
me to request of you permission to eat the slop you
serve? Are you that dense? As realistic guys, I would
rather starve. The food is edible and I enjoy it because
I can eat whenever I feel like eating. No problem! ha ha
Why did you tell Henderson to be present at my hearing? He is
a lousy liar and one who got caught lying. C'est La
Vie mes gros fou! ha ha Vous pouvez pas me faire
mad parce-que moi je suis un homme. Vous être
pas des hommes, vous être des enfants dans un corps
d'un homme. Je suis très content et vous être triste. ha ha
Je vous fait pas de menace pas toute. No threats are even
implied in the note. I'm just rubbing defeat in your
ugly faces. Your plan failed and I'm rejoicing!!
I am a free man, a happy man, and a good man. Nuff
better than you all put together. VA-1000.

I don't even want to see the segregation board. What's the sense in seeing your sad faces? HA HA Poor guys, don't take it too hard. You lost to a smarter and better man. Ask Henderson how much smarter I was than himself. Braun is not renown for his acumen, and Hirsch is a bit slow. Page and Neely are really funny. Ha Ha Oh yes, I get a good jolt thinking about you. I'm so happy, I could shit. Just remember, I was in this place. Polite and quiet. I won't hate you when I get out, you're hurting enough now. So, don't be afraid chickens. My life will be noble and worthy. Something which yours is lacking.

In closing, I'd like to say that your tyrannical propensities reek of megalomania. Try to solicit psychological assistance for your mental illnesses. Go to church and live Christian lives. Ask for forgiveness befor its too late. You are all evil and corrupt. Repent and reform.

But I'm happy anyways. Ya-hooo!
HA-HA-HA Bow losers. I won again.
Too smart for ya! YEP. HA HA
